Atma Malik Institute of Technology & Research (AMRIT)

Annual Report

Quality Assurance Initiatives of the Institution

The institution has undertaken several quality assurance initiatives during the academic year to strengthen academic excellence, administrative efficiency, and continuous institutional improvement. The major initiatives are as follows:

1. Regular Meetings of the Internal Quality Assurance Cell (IQAC)

- IQAC meetings were conducted periodically to review academic and administrative activities.
- Action plans were prepared, implemented, and monitored for continuous quality enhancement.
- Discussions focused on teaching-learning processes, research, student support, faculty development, accreditation activities, and institutional best practices.

2. Feedback Collection, Analysis, and Implementation

- Structured feedback was collected from students, faculty members, alumni, employers, and parents.
- Feedback covered curriculum delivery, teaching-learning process, infrastructure, library, laboratory facilities, student support services, and institutional environment.
- The collected feedback was systematically analyzed by the IQAC, and recommendations were communicated to the concerned departments for necessary improvements.
- Action Taken Reports (ATR) were prepared and implemented to enhance stakeholder satisfaction.

3. Collaborative Quality Initiatives with Other Institutions

- The institution established academic collaborations through Memoranda of Understanding (MoUs) with industries, research organizations, and higher education institutions.
- Joint activities such as Faculty Development Programmes (FDPs), seminars, workshops, guest lectures, internships, industrial visits, and research collaborations were organized.

- These collaborative initiatives enhanced academic quality, industry interaction, and research opportunities for students and faculty.

4. Participation in National Institutional Ranking Framework (NIRF)

- The institution actively participated in the National Institutional Ranking Framework (NIRF) by submitting institutional data as per the prescribed parameters.
- Continuous efforts were made to improve performance in teaching-learning, research, graduation outcomes, outreach, and perception through systematic data collection and quality enhancement measures.

5. Quality Audits and Certifications

- The institution maintained its quality management practices through periodic internal and external quality audits.
- The institution continued compliance with **ISO Certification** standards by conducting regular surveillance audits and implementing corrective actions wherever required.
- NBA-related quality initiatives were undertaken by eligible departments through Outcome-Based Education (OBE), attainment analysis, curriculum mapping, Continuous Internal Evaluation (CIE), and documentation as per accreditation requirements.

6. Other Quality Enhancement Initiatives

- Academic and administrative audits were conducted to evaluate institutional performance.
- Green, Energy, and Environment audits were carried out to promote sustainability.
- Faculty members were encouraged to participate in FDPs, workshops, conferences, and research activities.
- Student mentoring, value-added courses, skill development programmes, and industry interaction activities were strengthened.
- ICT-enabled teaching-learning practices, e-governance, and digital documentation were further enhanced to improve institutional effectiveness.

These quality assurance initiatives have significantly contributed towards continuous improvement, effective governance, enhanced stakeholder satisfaction, and preparation for national accreditation and ranking processes.
