Company Description
Atma Malik Institute of Technology and Research is a well-established institution with over 25 years of excellence in engineering education. Affiliated with the University of Mumbai, the institute is recognized for its commitment to providing quality education and fostering a culture of innovation and research. Known for its state-of-the-art facilities, the institute emphasizes practical learning and skill development for students. It aims to nurture future-ready engineers equipped with the knowledge and expertise to thrive in the industry.

Role Description
This is a full-time on-site role for an Assistant Professor in the Department of Electronics & Telecommunication Engineering, located in Mumbai. The Assistant Professor will be responsible for delivering high-quality lectures, designing course materials, and conducting practical and theoretical sessions. The role also involves guiding students in academic and research projects, participating in curriculum development, and collaborating with faculty members to foster a dynamic learning environment. The Assistant Professor will be expected to contribute to academic research and publications as part of their professional duties.

Qualifications
- Subject matter expertise in Electronics and Telecommunication Engineering, with proficiency in foundational and advanced topics.
- Strong teaching and presentation skills, with experience in developing and delivering course content.
- Demonstrated ability in academic research and publications.
- Proficiency in using modern teaching tools and technologies, such as learning management systems and engineering software.
- Excellent communication, mentoring, and interpersonal skills to foster a student-centric learning environment.
- Master's or Ph.D. degree in Electronics & Telecommunication Engineering or a closely related field (Ph.D. preferred).
- Prior teaching experience in higher education or relevant industry experience is advantageous.
- Commitment to the academic and professional growth of students.
