

### **Company Description**

Atma Malik Institute of Technology and Research is a well-established institution with over 25 years of excellence in engineering education. Affiliated with the University of Mumbai, the institute is distinguished for its cutting-edge facilities that promote innovative learning and practical applications. With a commitment to academic excellence, the institute offers students an environment conducive to both professional and personal growth. Atma Malik Institute fosters a culture of research, innovation, and knowledge dissemination to shape future-ready engineers.

### **Role Description**

This is a full-time, on-site position for an Assistant Professor in the Mechanical Engineering department at Atma Malik Institute of Technology & Research in Mumbai. The Assistant Professor will be responsible for delivering high-quality lectures, guiding students in their academic and research pursuits, and developing effective curricula. Other responsibilities include mentoring students, conducting research, publishing scholarly articles, and contributing to departmental and institutional initiatives.

### **Qualifications**

- Expertise in teaching and applying concepts related to Solid Mechanics and Heat Transfer
- Proficiency in Curriculum Development and Robotics
- Strong Research skills to contribute to academic publications and innovative projects
- Postgraduate degree (M.Tech/M.E.) or higher in Mechanical Engineering or a closely related field
- Demonstrated commitment to teaching excellence and academic mentorship
- Effective communication and collaboration skills
- Prior teaching experience and industry exposure are advantageous
