

VISION

'What the Institute wants to become'.

We wish to be known as, spiritual-base Institute, developing self aware, socially responsible and ethical engineers, to shape a better future for mankind.

MISSION

'Purpose of the Organization's existence'

- To provide holistic technical education of high quality, by means of dedicated faculty and excellent infrastructure and prepare Industry-ready Professionals, who are able to understand the societal needs.
- To introduce students to an age-old practice of Meditation so that they have calm, confident and focused mind; also to promote sense of social ethics, responsibility and mutual respect in students.

Institute's Goals

1. To become world class Technical Institute.
2. To enhance the learning experience of Students through academics, activities and training.
3. Seek association with industries for meaningful institute-industry interaction.
4. To work towards Social Contribution.
