VISION

'What the Institute wants to become'

We wish to be known as, spiritual-base Institute, developing self aware, socially responsible and ethical engineers, to shape a better future for mankind.

MISSION

'Purpose of the Organization's existence'

- To provide holistic technical education of high quality, by means of dedicated faculty and excellent infrastructure and prepare Industry-ready Professionals, who are able to understand the societal needs.
- To introduce students to an age-old practice of Meditation so that they have calm, confident and focused mind; also to promote sense of social ethics, responsibility and mutual respect in students.

Institute's Goals

1. To become world class Technical Institute.
2. To enhance the learning experience of Students through academics, activities and training.
3. Seek association with industries for meaningful institute-industry interaction.
4. To work towards Social Contribution.

Process of forming Institute Vision and Mission

4. Goals of the Institute

3.1 Short Term Goals

- To implement PBL (Project Based Learning)
- To set-up smart classrooms at Institute.
- To Enhance E-learning facilities.
- To provide the Training to the Staff and Faculty.
- To encourage the teaching faculty for the Doctoral Program.
- To motivate the students to undertake interdisciplinary projects.

3.2 Long Term Goals

- MOU's / Collaboration with industries and research centers.
- More focus on e-governance
- To apply for Participation in NIRF
- To set up Virtual classrooms.

5. Role of Management, Principal and Faculty in design and implementation of its quality policy and plans.

4.1 Role of Management

- To spread technical education for common masses.
- To educate economically backward students for their upliftment.
- Focus on Mission and Vision of the institution.
- To create atmosphere to implement Discipline, Quality and Transparency.

4.2 Role of Principal

- Setup rules and regulations of the institute for effective governance, transparent administration and participatory decision making.
- To implement modern teaching learning process.
- To conduct Motivational programmes for students and staffs.
- Ensures availability of infrastructure and facilities to fulfill academic and administrative requirements.

4.3 Role of Head of Department

- Conducting periodic meetings with teaching and nonteaching staff.
- To make MOU's with industries for promoting industry institute interaction.
- To propose the budget for purchase of lab equipment's, consumables, renovation work etc. to the Principal.
- To communicate to the library for the requirement of books and periodicals.
- Supervise the conduct of lectures / practical's daily, University Term work / Practical / Oral examination concerned with the department.
- Supervise the Term work assessment and approve test results, journals and project / seminar work
- Conduct departmental meeting from time to time (at least one meeting per 15 days) and to keep the record of Minutes of Meeting.

4.4 Role of Faculty

- Prepare course files of theory, practical and lab manuals and monitor at various levels.
- To carry out university result analysis and compare with previous results to find out shortcomings and take necessary actions.
- To get feedback from students on teaching learning for the further improvement.
- Conduct extra classes for the late admitted students i.e. Second Year of engineering students who joins after completing their Diploma course
- To assure about the proper functioning of all equipment's present in laboratories. Keeping records of maintenance/repaired of the instruments in the laboratory

9.1 Functions of CDC: Prepare an overall comprehensive development plan of the college regarding academic, administrative, and infrastructural growth, and Enable College to foster excellence in curricular, co-curricular and extracurricular activities.

- It prepares the overall Development Plan of the College.
- It decides the Academic Calendar: the teaching programs (new & existing), workload & requirement of teachers, non-teaching staff.
- It frames a smooth admission procedure as per norms;
- It gives recommendations to the management to encourage and strengthen research culture, consultancy and extension activities, academic collaborations, use of ICT in teaching learning, training facility to staff.
- It recommends management for approval of the Annual financial statements & Budget.
- It decides the welfare schemes of the College for staff & students, other events like Annual Day, Sports Day, and Inter collegiate events, Seminar/Conferences etc and also the prizes / awards to be given.
- It reviews the various reports, viz., IQAC & NAAC report, statutory audit report, Local Inquiry report & suggests suitable action.
- It recommends appropriate steps regarding the discipline, safety and security issues of the college.
- It prepares & submits the Annual report of the College to the management & University.
- Perform such other duties as may be entrusted by the management and the University.

10. Internal Quality Assurance Cell (IQAC):

This cell is established in the institute to improve the work processes and achieve learning outcomes & objectives. It is a “**participative**” and “**facilitative**” cell that would closely work with the faculty members to plan out the best possible strategies.

10.1 Functions of IQAC:

- Efficient & timely work processes
- Academic research & programs
- Affordable & innovative approaches
- Use of ICT for modernization of education
- Best assessment process for maintaining quality
- Ensuring the best infrastructure to achieve goals
